

Pomona Waste & Recycling Task Force
January 7, 2015, 5:00 PM-6:30 PM
Pomona City Hall, 2nd Floor Conference Room

1. Volunteer for meeting minutes for this meeting Victor was assigned by the majority.
2. Adoption of past meeting minutes. Adoption for next meeting
3. Review of tonight's agenda – addition of any new items? Wait to gather items from committees and bring back for next meeting.
4. Discussion regarding individual house meetings and group public meeting
 - Mark shared calendar that was distributed
 - Need to move a bit quicker if we want to complete on time
 - Mark suggested to have our next committee to be more info gathering meeting. There was. We want to share the progress to the committee to the folks attending
 - Victor volunteered the Club - We will have our meeting on Feb 19th from 7-9pm at the Boys & Girls Club of Pomona Valley
 - Mark and Tom - Format will be house meeting at each table and then bring back together to the whole group.
 - Tim suggested if we may ask the council for more time. Mark suggested maybe another 3 month vs. a whole year.
 - Mark mentioned that we need to take in consideration the political climate on business concerns of a delay in lifting the moratorium.
 - Tom suggested we have some deliverables by the due date and ask for more time for more work to be done.
 - Focus to be having a solid public meeting, and coming up with deliverables as timely as possible with current time line.
 - Is there clarity on what we want for our community meeting.
 - Tim asked what are we going to focus on as a urgent topics for our meeting
 - Mike said community input to gather stories about impact.
 - There was discussion on focusing on informing community of our environmental problem, share what progress has been made by the committee with recommendations showcasing solutions and also educating the community how they can also participate in the solution beyond the meeting date.
 - Mark suggested the we get eh business help fund existing code enforcement efforts with cleaned existing codes.
 - Mike asked what are the consequences of businesses that don't follow compliance.
 - Mark said we need to build up our codes for businesses to meet.
5. Review of timeline for creating draft ordinance and regulation changes
