First-Time Homebuyer Mortgage Assistance Program (MAP)

The Mortgage Assistance Program (MAP) is a deferred loan program that provides eligible families with down payment and closing cost assistance to secure financing for the purchase of a single-family home or condominium in Pomona.

MAP is designed to provide second mortgages for low and moderate income families who would not otherwise be able to purchase a property without the City's assistance.

WHAT IS A MAP LOAN?

- ♦ Assists up to **\$100,000** for HOME (HUD) income households with GAP financing (see income charts)
- ♦ A second mortgage (silent second)
- ♦ No monthly payments
- ♦ Due and payable when the property is sold, refinanced with cash out, a change in title occurs or at the end of 15 years
- ♦ Equity appreciation loan. At the time of repayment, the City will share in equity gained. The percentage of equity shared is the same percentage as borrowed from the City towards the original purchase price. For example, if 10% of the original purchase price was borrowed from the City, the City would share in 10% of the equity gained at the time of repayment. In addition, each full year the borrower occupies the property, 1/15 of the calculated equity sharing amount will be forgiven.

WHO IS ELIGIBLE?

- ♦ Individuals or families interested in purchasing and residing in Pomona.
- ♦ Had no ownership interest in a property in the past three (3) years.
- ♦ Will contribute an amount equal to the "Recurring Closing Costs". Recurring Closing Costs are housing costs that require repeat payments, such as property taxes and mortgage insurance premium. This value is calculated by the lender and varies according to value of the purchase.
