V. ONE-TIME PAYMENTS.

1. 2018 – Effective within a few pay periods following City Council approval, a one-time payment will be made to each active employee in a paid status in the pay period the payment is made. The amount of the payment will be as follows: \$2,400 to each employee who is enrolled in family or two-party medical coverage as of June 1, 2018; and \$2,000 to each employee who waives medical coverage or is enrolled in single coverage as of June 1, 2018.

No one-time payment will be made to employees with two-party or family medical coverage (see Section 125 Benefit Contributions below). The one-time payment in 2019 is subject to the reconciliation process described below.
3. The payments will not be reported to PERS as compensation (i.e. they are not “PERSable”). Employees who change bargaining units are only eligible for a single, one-time payment each year.
4. Reconciliation of One-time Payment and Increase of On-going Medical Coverage.
During the benefit plan year of 2019, an employee with a qualifying life event may change coverage levels that would affect the amount of total compensation received pursuant to the one-time payment and the Section 125 Benefit Contributions combined. The intent is that no employee will receive more than \$2,000 or less than \$1,200 for the period of January 1, 2019 through June 30, 2019 (i.e. the paycheck dated January 3, 2019 through the paycheck dated June 20, 2019) through a combination of the \$200 on-going benefit contribution and the \$1,200 one-time payment. The reconciliation will be addressed as follows:
 - a. All calculations exclude the \$25 Section 125 Benefit Contribution already provided to the employees. The applicable time period for reconciliation is from the paycheck dated January 3, 2019 through the paycheck dated June 20, 2019.
 - b. An employee who receives the \$200 additional Section 125 benefit contribution prior to the pay period beginning May 26, 2019 but subsequently qualifies for the \$2,000 one-time payment shall have the one-time payment reduced by the amount of additional Section 125 Benefit contributions received. For instance, if the employee received \$100 for 3 pay periods, \$300 shall be deducted from the one-time payment and the employee shall receive \$1,700 as the one-time payment. No employee shall receive more than \$2,000 combined.
 - c. An employee who enrolls in two-party or family coverage subsequent to January 2019 shall receive a one-time payment in June 2019 that will equal a total of \$1,200 including the \$200 Section 125 payments received through June 2019. For instance, an employee who received \$800 in Section 125 contributions shall receive a \$400 one-time payment.

- d. No one-time payment will be made to employees separating prior to the paycheck dated June 20, 2019.
- e. It is anticipated that some individual situations and logistical issues will arise that have not been adequately addressed by these procedures. As such, these procedures may be modified by mutual agreement of the parties, with the approval by the City Manager, consistent with the intent of active employees not receiving more than \$2,000 or less than \$1,200 for the applicable time period.

AMENDED ARTICLE XVI. TERM OF MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding, notwithstanding dates otherwise specified herein, shall be effective for the period of July 1, 2016 to June 30, 2019 to and from year to year thereafter, unless one (1) party serves notice on the other of its intent to modify the Agreement, one hundred and twenty (120) days or more prior to the annual expiration date.

The City is implementing a new human resources and payroll system. During the implementation, issues may arise that require a modification to terms and conditions of employment. If those proposed modifications are subject to meet and confer pursuant to Government Code Section 3504 and this MOU, the parties agree to meet and confer regarding said issues and proposed modifications.
