

# CITY OF POMONA HOUSING AUTHORITY

U.S. DEPARTMENT OF HOUSING AND URBAN  
DEVELOPMENT (HUD)

## **MOVING TO WORK DEMONSTRATION PROGRAM**

The Pomona Housing Authority (PHA) is notifying Housing Choice Voucher (Section 8) Program Participants that it intends to participate in HUD's Moving to Work (MTW) Demonstration Program. The Moving to Work (MTW) Demonstration Program provides select public housing authorities with a unique opportunity to design and test innovative, flexible, and locally-designed housing and self-sufficiency strategies for low-income families.

Engaging the Pomona community is a critical component to the success of the MTW initiative. The MTW demonstration program encourages individuals and families to engage in dialogue with the Pomona Housing Authority (PHA) on program policies and activities that they would like to see implemented and would ultimately address local needs.

## **WHAT ARE THE BENEFITS OF MTW?**

The MTW demonstration program can provide numerous benefits to the Pomona community.

**Authority to waive  
statutory and/or  
regulatory barriers**

**Rethink your current  
administration and  
voucher programs**

**Ability to create  
policies that address  
your needs**

**Become an  
industry leader**

## **UPCOMING MEETINGS AND PUBLIC HEARING**

The PHA will be hosting two resident meetings. These meetings will serve as opportunities for program participants to contribute feedback and discuss innovative policies that will be instrumental to improving the overall voucher program structure. All feedback will be incorporated into the PHA's MTW plan.

After the two resident meetings, the PHA will publish a notice for a public hearing on the MTW plan. The draft MTW plan will be made for public comment for 30 days before submission of the application to HUD.

**If you are interested in learning more about the MTW process or should you have any questions, please contact the PHA at (909) 620-2368.**

**We look forward to hearing from you!**
